

LOCAL EVENT APPLICATION PACKET

Dear Event Planner,

Welcome to the City of Yuma! We are excited you have chosen Yuma for your local event. A Local Event Permit is required if your event meets any of the criteria below:

1. The event requires a street closure, or significantly interrupts the flow of traffic in public rights-of-way, or access to private commercial property.
2. The event is estimated to have 100 or more people in attendance and is to take place in a public park.
3. The event is an outdoor event that includes the sale or consumption of alcoholic beverages to or by the public. (A local event liquor permit is also required for this purpose)

Examples of local events include, but are not limited to, festivals, carnivals, races, parades, fairs, camps and other similar activities. To make the event application experience as smooth and efficient as possible, we have created this packet of information to help you plan your event and understand the requirements associated with hosting a local event in the City of Yuma.

The City of Yuma Local Event Coordinator will act as your single point of contact with the City, and will coordinate most of your approvals internally. The Local Event Coordinator can answer questions you may have about conducting a local event in our community. The success of your event relies upon your event planner providing us with complete and detailed information. Our role is not to plan your event, but to help you with the process, approve required permits and applications, and help mitigate potential problems.

The City of Yuma requires your completed event application to be submitted to the Local Event Coordinator a minimum of **30 days** in advance of your event; and at least **45 days** in advance of your event if applying for a Local Event Liquor Permit. Applications received after these timeframes will be charged an additional rush processing fee. Application approval is not guaranteed.

The following packet (which is available online at yumacolo.org or from the Local Event Coordinator at (320 South Main Street, Yuma, CO 80759) will help you plan for your event accordingly. You only need to submit the forms applicable to your event. We encourage you to utilize the planning checklist to help you determine which forms you need to fill out and submit with your application. Once you have completed the appropriate applications and forms, submit them with applicable fees to the Local Event Coordinator at 320 South Main Street, Yuma, CO 80759 or email Candy Gilliland at c.gilliland@yumacolo.org. The City of Yuma will conduct a review process upon receipt of the application and will contact you when your application has been completely processed by all of the appropriate departments, or if additional information or plan modification is required.

Once your application has been approved, you will receive a Local Event Permit from the City. You will need to have the permit with you at the event as proof of authorization.

It is our goal to provide an efficient process for reviewing and approving your event. We look forward to working with you to obtain approval for your event, and thank you for choosing the City of Yuma as your preferred location.

Regards,

Candy Gilliland

LOCAL EVENT PLANNING CHECKLIST

This checklist is intended to help you plan your Local Event, and to properly submit all necessary forms. It serves as a guide only.

Feel free to call the Local Events Coordinator at 970-848-3878 ext. 2110 and discuss your plans prior to reserving a location and applying for a permit.
